

The range of comments from TPR survey respondents were as follows: Bad; Steady; standing timber not being offered for sale; Timber and lumber markets are improving; Better but we are still cautious; Ash market steady - other species erratic; Movement of ash saw logs was slowed by wet weather conditions; Out of business ; we are just now checking into buying stumpage; Cottonwood, pine, basswood - no market; 1 common grade market very poor; Steady to slight increase; Logs and lumber are selling well; Prices are coming up; Timber is selling competitively; Slight increase in lumber market helped in procuring logs; Veneer moving well; Not enough log flow, Stumpage prices too high for market conditions.

This report was funded in part by the Renewable Resources Extension Act.

Comparison of Prices Paid for Ohio SAWLOG by Region, Doyle Scale
